ENGLISH

In summer 1, we have been reading Chitty Chitty Bang Bang. We have focused on persuasive writing and have created advertisements for our 'sweet' inventions and also have written letters to persuade Lord Scrumptious to invest in our creations.

In summer 2, we will be looking closely at narrative poetry (the Highwayman) and explanation texts.

RE

In summer 1 have been looking at the people of God and how Moses led his people from slavery..

In summer 2 we will be looking at loss, death and hope.

NUMERACY We will be looking at:

Fractions, decimals and percentages, ratio and proportion, reflection and translation, angles, converting fractions to mixed numbers and vice versa, roman numerals, conversion of metric to imperial measurements.

THEME In summer 1 we have been looking at inventions in our them topic – World of Cracking Ideas. We have been looking at the design process and have been asked to create our own invention which we will present to the class in the last week of term.

St. Matthew's CofE Primary School

THEME In summer 2 we will be learning: how humans develop to old age; recognising the impact of diet, exercise, drugs and lifestyle on the way our bodies function; how to identify and name the main parts of the human circulatory system, and explain the functions of the heart, blood vessels and blood; describe the ways in which nutrients and water are transported within animals, including humans.
