

### Communication and Language

We have had lots of opportunities to talk and share our ideas in group time and one to one. We are looking at our eggs in the incubator and predicting what might happen to them. Flo the puppy is coming to visit us. We have decided what we want to learn about farm animals together.

### Phonics

The children have continued to listen to environmental sounds with a special focus on animal noises. We will carry on learning initial sounds: s, a, t, p, l, n. g,oc,k.e.y.l We have been practising letter formation and writing our names.

### Maths

We enjoy playing with numbers and singing number songs. We count everyday sometimes clapping and jumping to help us. Chickens are perching on our number line and helping us learn our numbers.

### THEME

Our theme has been "Over the Rainbow". During the forthcoming term we will have visits from the Road safety team and the Oral health specialists. These are to help us stay safe and healthy.

## Nursery

### THEME

The theme we are exploring when we are now in Nursery is "Down on the Farm". We will be having a visit from Wellybobs and all their lovely animals.

### Lending Library

On Wednesday children have been changing their library books. Children must bring their book bag and bookmark. When they return their book they will receive a sticker. When there are 6 stickers the children get a prize!

### RE

We have learned the Easter story and continue to celebrate signs of new life. There are miracles happening all around us every day.

### WOW box

Please celebrate your child's achievements with us. If your child does something to be proud of write it down on a WOW card and put it in the WOW box. The children can share their achievements then in school with the rest of the children.
