

Communication and Language

The children will be given lots of opportunities to talk about their experiences of going to the doctors and the dentist. The children will have new experiences to talk about such as a visit from the dental nurse, a road safety officer and a trip to Knowsley Safari park.

Phonics

The children will continue to work in small phonic groups. They will continue to read and write sounds and we are now moving on to reading and writing simple sentences. The children will be challenged to re-tell simple stories.

Maths

Children will be learning how to record simple equations using items and objects with a focus on subtraction. The children will be learning about capacity, weight and measure.
