

### Communication and Language

We are looking forward to welcoming back our nursery children and meeting our new starters. Over the following weeks we will be learning all about one another, where we come from and who is in our family. The next few weeks are an important time as the children settle into the daily routine of nursery life, the staff and parent/carers will be working together to make this a happy experience for everyone.

#### THEME

Our theme for the first half of term is:  
Happy to be me.

#### Lending Library

On Wednesday children can change their reading book. Children must bring their book bag and bookmark. When they return their book they will receive a sticker.

### Phonics

The children will be looking at their names what sound they begin with and playing lots of different games to develop their listening skills. We will sing lots of new songs together and play with the musical instruments.

## Nursery

#### RE

We will be finding out about the different ways we worship, learning our class prayer and enjoying some stories from the Bible.

### Maths

We will use our fingers to count during our number rhyme-time. During snack time we will engage in lots of counting of the different fruits/vegetables that we are going to eat. In the nursery we have lots of lovely jigsaws and puzzles to develop our sense of shape and space.

#### THEME

Our theme for the second half of term is:  
Come and join the celebration

#### WOW box

Please celebrate your child's achievements with us. If your child does something to be proud of write it down on a WOW card and put it in the WOW box. The children can share their achievements school with the rest of the children.
